To Whom It May Concern,

I wanted to make sure you were aware that Hilliard City Schools will no longer transport to or from commercial daycare facilities when school resumes in the fall. This was a reduction in service, identified by the School Board during the May 2011 school levy campaign that would be implemented if the levy did not pass, which it did not.

The local daycares and affected parents have recently been advised by letter of this change in practice as well. If you have any questions regarding this change please contact our office.

Thank You,

Terry Timlin,
Transportation Coordinator
